Jeannette Cameron, Inverary Manor

Renee Claire Fox, B.A., M.Sc.Inf., CSSS Jeanne-Mance

Facilitator: Marg Colquhoun, Project Leader, ISMP Canada - National MedRec Intervention Lead

Description: The following SHN national medication reconciliation call is geared to participants who are getting started with medication reconciliation in long term care. At the completion of the call, participants will understand the process of medication reconciliation, what to measure, how to join the SHN campaign and access resources on the communities of practice.

Participants will also learn from experienced practitioners who will share their journeys of implementing medication reconciliation successfully in their own institutions.

WebEx Technical Support: 1-866-229-3239 (US and Canada Toll-Free)
